Description

Twister by Diversey is an innovative method for daily floor maintenance that cleans and polishes a variety of protected and unprotected floors by using floor pads prepared with billions of microscopic diamonds. It is a simple, safe, cost efficient and environmentally friendly approach to professional cleaning, producing astonishing results on any type of floor.

The Twister pad contains a special blend of diamonds developed for periodic burnishing in environments where soft coatings are used to protect the floor and where there is a high demand for gloss. Twister pad Grey is suitable for use up to 3000 rpm and has a lifespan of approx. 60 000 m² (640 000ft²).

For full information on where to use please consult the product selector guide.

Twister™ Diamond Floor Pads - Grey

Instructions for use

- Select the appropriate Twister pad
- Mount side labelled "Machine Side" facing the machine and the colored side facing the floor
- Use only water together with Twister
- Clean and polish
- After use, rinse the Twister pad
- If the color is gone, change the pad

Please note: The diamond impregnated side of the pad is colored and works as a wear indicator.
